

What can you do for the ocean?

START

**MOVE TO THE NEXT SPACE**

The compass helps you to find the right direction

The wind helps your progression

The map helps you to find the route

Your fans are encouraging you

**SKIP YOUR NEXT TURN**

The weather is not good

There is plastic in the ocean

The coast is too close

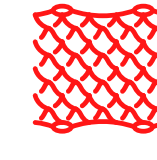

The waves are too high

**CO2** The air is too polluted

The glaciers are melting

Fishing nets are abandoned

Your boat is damaged

You are in need of assistance

**ANCHOR** You throw the anchor

**USE YOUR MIND AND BODY**

Do a sport move and some physical exercise

Ask a question about the ocean to the person on your left

**DISCOVER THE PLANET**

Share an idea to clean the ocean

Share an idea to reduce pollution

Share one memory you have related to the ocean

Name the animal displayed on the space

RULES

TO PLAY, YOU WILL NEED PLAYING FIGURES AND ONE DIE.

1. Decide who goes first by rolling the die. The player with the highest number starts.
2. Roll again to determine how many spaces to move your pawn.
3. When it is your turn, roll the die to determine how many spaces to move.
4. Pay attention to the color code and either move to the next space, skip your next turn, do a sports exercise, or ask a question.
5. End your turn by passing the die to the next player.
6. The first to arrive wins the game and can give an ocean challenge to the other players.
